

To whom it may concern,

I am writing to recommend Mary White for an art activity at your company. We have had the pleasure of working directly with Mary during an hour at Yoli's weekly "culture" activity, and her tremendous abilities were greatly appreciated. She put a lot of thought and time into the project to make sure it was well organized and well received by all.

Mary's incredible adaptability with a large group of individuals was a tremendous relief as she drew all attendants into the art. Mary's great connection with the staff made me as a partner on the planning committee very happy but also the staff had so much fun with the project.

With her abilities, adaptability, and wonderful personality, Mary will make a company activity a wonderful learning experience for all. I have no doubts you will be exceptionally pleased with her. If you have any questions, please feel free to contact me at the above address.

Sincerely,

Katina Coon
